

Mansfield Park

by Jane Austen

Jane Austen's 1814 novel focuses on Fanny Price, the daughter of a poor Portsmouth family, who is taken to live with her aunt and uncle Bertram's family on their estate at the age of ten. Surrounded by her wealthy and privileged cousins, and continually reminded of her lower status by her bullying Aunt Norris, Fanny grows up timid and shy, but with a strong sense of ethics, partly instilled by her kindly cousin Edmund. Fanny's gratitude and friendship for Edmund gradually grow into love, but the introduction of Mary and Henry Crawford, a captivating sister and brother, into the neighborhood of Mansfield Park, confuses and complicates the affections of the Bertram household.
